When Chrome blocks a pop-up from a website, it displays an icon with a red X in the corner of the Omnibox (web browser address bar).

To see pop-ups from this website, click on the icon with the red X to see site-specific options, select "Always Allow Pop-ups and Redirects from https://test.mapnwea.org" and then click "Done."

After you click "Done," refresh the page to save your choice and see any intended pop-ups on this website.
