

Bailey and Hamilton Elementary Recorder Program

Through a very generous private donation, our 3rd, 4th, and 5th grade students are learning how to play the recorder. The recorder not only teaches students to play an instrument, but it also teaches them music literacy and the importance of being a member of an ensemble.

Our recorders are for *in school use only* so will **not** go home with students. Many students have asked how to get an instrument so they can practice at home. This is the recorder we are using in school and is highly recommended.

Yamaha YRS-24B Plastic Soprano Recorder

It is **\$9.99** on **Amazon** and is available on **Prime** so students would receive it quickly to begin practicing!

There are other brands that you may choose from at different prices. Whatever you decide to get, be sure to select one that says "**Baroque**" or "**Baroque Fingering.**" I will post music on Music Google Classroom for students to practice at home as well as tips and tricks to remind them to always play with a warm tone.

Musically Yours,

Mrs. Beyer
